CloudQuest—A Cloud Computing Quiz Competition

The **Department of Computer Application** at Integral University, in collaboration with **42Peaks Pvt. Ltd.**, successfully organized *CloudQuest*, a cloud computing quiz competition aimed at testing and enriching students' knowledge in the ever-evolving domain of cloud technology. The event was held on **6th March 2025**, and it witnessed enthusiastic participation from students across multiple programs, including **B.Tech CSE, BCA, MCA, and B.Sc. Mathematics**.

The quiz commenced at **10:00 AM** and took place in **Central Auditorium, Hall-2**. It was designed to cover a wide range of cloud computing concepts, including service models (IaaS, PaaS, SaaS), deployment models (public, private, hybrid), cloud architecture, security, and practical applications. The structure of the quiz included multiple rounds, each progressively challenging, and aimed at evaluating both conceptual understanding and practical awareness.

With over **65 students** registering for the competition, *CloudQuest* was a popular and intellectually stimulating event. Participants demonstrated remarkable enthusiasm, competitive spirit, and a keen interest in cloud technologies, reflecting the growing relevance of this field in modern computing and industry.

The **Prize Distribution Ceremony** was held on **17th April 2025** in **Central Auditorium, Hall-3**. The event was graced by two distinguished guests:

- **Mr. Shreyansh Pandey**, **CEO and Founder of 42Peaks Pvt. Ltd.** , a seasoned software and security architect with over a decade of experience in geoscale solutions, fintech, and cloud architecture.

- **Mr. Mohd Shafiq**, **Head of Sales & Marketing—EdTech**, who brought industry insights and shared words of motivation with the students.

The winners of CloudQuest were as follows:

- 🥇 **First Prize (₹2500):** Zeeshan Khan, BCA 2nd Year

- 🥈 **Second Prize (₹1500):** Mirza Ishaan Beg, BCA 1st Year

- 🥉 **Third Prize (₹1000):** Syed Adeeb, BCA 2nd Year

In addition, all participants were awarded **certificates of participation** to acknowledge their enthusiasm and effort.

Acknowledgment & Appreciation:

The success of "CloudQuest" would not have been possible without the dedicated efforts of our team:

- **Faculty Coordinator:** Dr. Abida Khanam

- **Student Coordinators:** Vishal Sharma (MCA 3rd Year), Tanu (BCA 1st Year), Achintya (BCA 1st Year), Zaid Ansari (BCA 1st Year)

Some Glimpses of the Event:

The event concluded with inspiring addresses by the guests, a heartfelt vote of thanks by the organizing committee, and a collective aspiration to continue fostering technical excellence among students. *CloudQuest* served not only as a platform to challenge knowledge but also as a celebration of learning, curiosity, and collaboration.
