AND

State Disaster Response Force, Uttar Pradesh (situated at Village Noornagar Bhadarsa, Police Station- Bijnor, Tehsil Sarojininagar, District Lucknow (hereinafter referred to as SDRF) through its authorized representative **Dr. Satish Kumar (I.P.S.) Commandant State Disaster Response Force, Uttar Pradesh as the SECOND PARTY.** "IU" and "SDRF" are referred to collectively as 'PARTIES' and individually as 'PARTY' as the context may require.

Whereas IU has a strong focus on individual growth and the development of essential tools so that its students make a mark in the corporate world and the field of sciences, engineering, information technology, pharmacy, agricultural sciences & technology, law, architecture, planning, design, health & medical sciences etc. These are solidly supported by a highly qualified and trained team of accomplished faculty and robust academic infrastructure. Integral University was awarded A+ Grade by the National Assessment & Accreditation Council (NAAC). The University is duly approved by the University Grants Commission (UGC) under section 2(f) and 12B of the UGC Act, 1956, Medical Council of India, Pharmacy Council of India, Indian Nursing Council, Council of Architecture, Bar Council of India, Indian Association of Physiotherapists, National Council for Teacher Education, UP State Medical Faculty. The University maintains a decent and decorous atmosphere in the campus. The campus is highly disciplined and ragging-free, with all modern amenities for pursuit of higher education and research. Integral University is not only an academic institution but also a mission and a vision to make the country progressive and prosperous in all walks of life.

Whereas SDRF, Uttar Pradesh is State Disaster Response Force Uttar Pradesh has been formed with the objective of carrying out relief and rescue operations in a quick and effective manner during any natural and man-made disaster. Keeping in mind the above disasters, relief and rescue works are undertaken in accordance with the provisions of the National Disaster Management Act, 2005 of the Government of India in Uttar Pradesh. The State Disaster Response was formed on 28th November 2016. In the first phase, three companies have been formed by government's order number 2749/G-PO-16-2017-1100(06)/2017 TC dated 17.08.2017 and in the second phase government's order number number-1/2019/1512/G-PO -16-2019-1100(06)/2013 TC dated 18.07.2019 three companies have been formed. A total of 1029 posts have been created by the Uttar Pradesh government for 06 companies of this force. As a result of this at present time 644 officers/employees are working in this force to provide disaster relief and the long-term assistance to affected

communities. This force mainly responds quickly to disasters like Flood, Earthquake, Road Accident, Train Accident, Chemical, Biological, Radiological, Nuclear and Borewell.

2. PURPOSE

The purpose of this MoU is to foster collaboration between Integral University, Lucknow and State Disaster Response Force, Uttar Pradesh to provide mutual beneficial working opportunity to work for disaster risk reduction under the Centre for "Disaster Preparedness and Management" to be established in Integral University, Lucknow. A collaborative effort between "IU", Lucknow and "SDRF", Uttar Pradesh will help in development of new courses, capacity building through trainings, workshops, conferences, mock drills and awareness campaigns and solving challenges associated with disaster risk reduction. The parties have common scientific and research interests and will cooperate in performing the activities stated below:

2.1 Types of Cooperative Activities

The scope of collaboration on activities, to be pursued through this MoU includes, not limited to the followings:

2.1.1 Association for running Academic Programs related to Disaster Risk

Reduction:

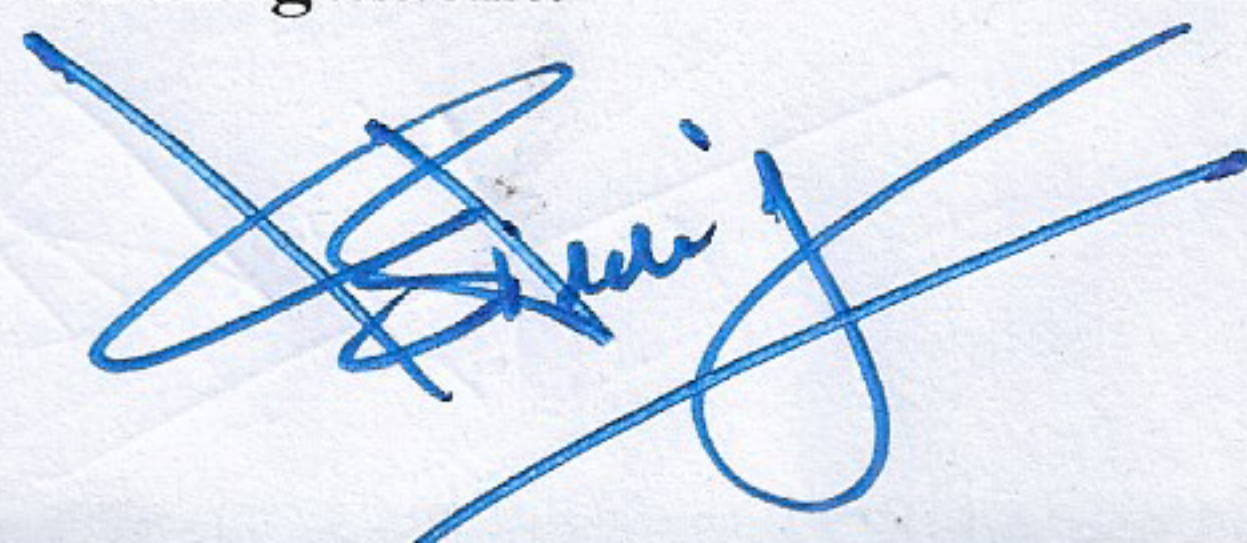

"IU", Lucknow and "SDRF", Uttar Pradesh may collaborate in running various Disaster risk reduction courses and academic programs at different level under the Centre for Disaster Preparedness and Management. Both the parties will include each of the partner members in their organizational set up and academic bodies as per the requirements.

2.1.2 Organizing Awareness Programs like Mock Drills, Trainings, Workshops,

Webinars and Conferences with involvement of Community:

"IU", Lucknow and "SDRF", Uttar Pradesh may collaborate in organizing programs like mock drills, trainings, workshops, webinars, conferences etc. as per the academic calendar mutually decided by both the partners and SDRF Uttar Pradesh will help in organizing these programs through sharing of resources like providing financial support for organizing the program depending on availability and other resources like human resource and IU, Lucknow will also support by sharing of resources like human resource, providing space for organizing these programs in campus and outside campus etc. under the Centre for Disaster preparedness and management.

2.1.3. Development of Resources for Centre for "Disaster Preparedness and Management:

“IU”, Lucknow and “SDRF”, Uttar Pradesh may work for development of resources and Laboratory and Demonstration facility under the centre for “Disaster preparedness and Management”. The laboratory equipment and demonstration resources generated will be owned by Integral University, Lucknow.

2.1.4. Research collaboration in the areas of mutual interest.

“IU”, Lucknow and “SDRF”, Uttar Pradesh may collaborate in any mutually agreeable field of research and education which will encourage collaboration in research areas of mutual interest such as disaster risk reduction and capacity building Programmes. Both the parties will maintain the confidentiality of research activities and research data.

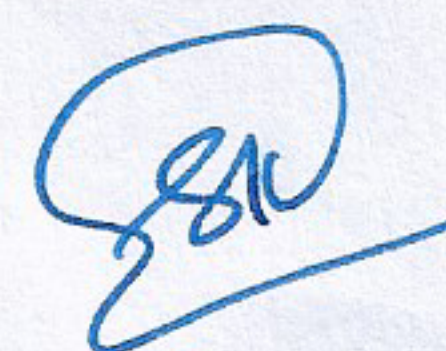

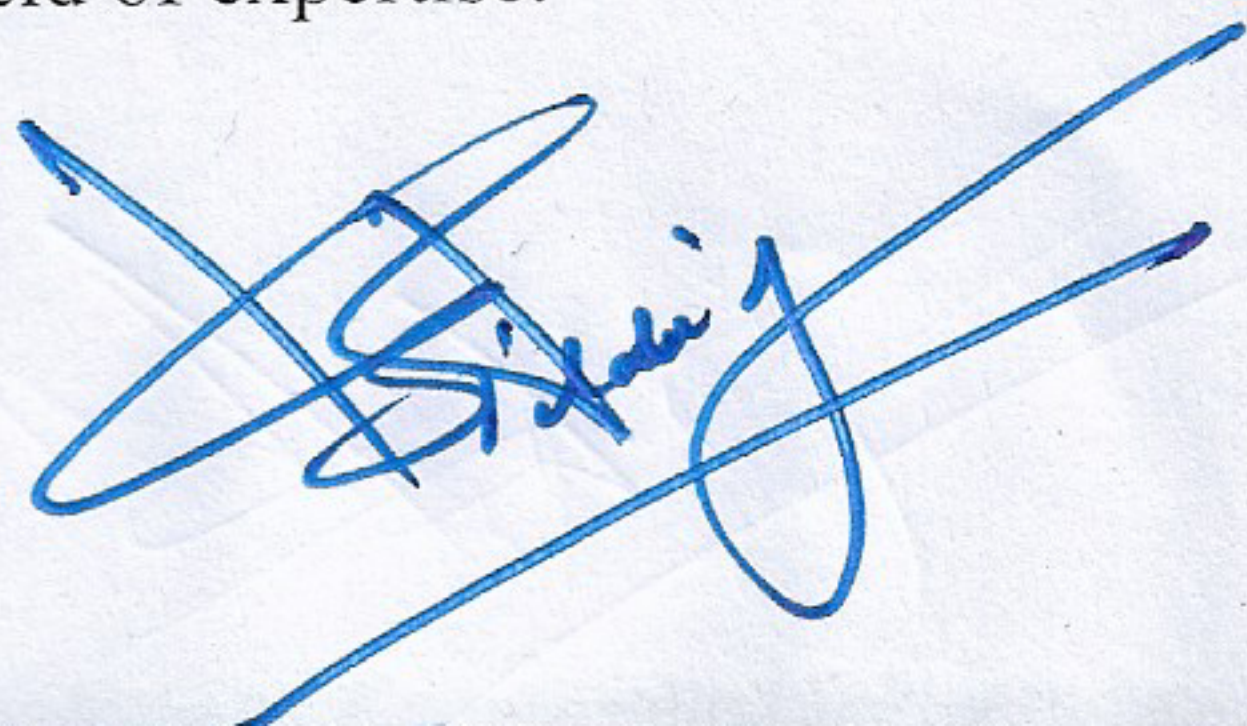

2.1.5. Exchange of Faculty and Research Scholars

2.1.5.1 SDRF, Uttar Pradesh and IU, Lucknow will welcome the scientists/academicians and research scholars for exchange of expertise/training in order to update the research scholars in the areas of mutual interest. Both “IU”, Lucknow and “SDRF”, Uttar Pradesh will undergo joint training programs of their faculty, staff, research scholars and students with a view to update knowledge, generate awareness and skill development. Expenses incurred in the activities may be borne by the concerned institute/party or as possible if there is funding available for organizing such an activity.

2.1.5.2 As feasible and contingent upon cognizant parent organizational or departmental approval, both the parties agree to assist their respective faculty members/scientists in developing scholarly exchanges that may include a range of interactions such as research collaborations, joint supervision of UG, PG, doctoral, post-doctoral studies, institutional training and research, specialized lectures, seminars and teaching or submission of joint research proposals/reports.

2.1.5.3 Each host institution will coordinate and support the visiting members/scientists for office space, library, laboratory including lab facilities for disaster risk reduction studies and other privileges appropriate to the level and purpose of the visit, subject to the availability of resources.

2.1.5.4 Human Resource Development: Academic staff members and students of IU, Lucknow and researchers and students of SDRF, Uttar Pradesh, the number of which may be decided mutually, will be trained in their short term projects (Short term projects, UG, PG and PhD Dissertation and summer training programmes) in their field of expertise.

2.1.5.5 Both the parties will run joint skill-based certificate courses in specialized areas as deemed appropriate from time to time as mutually agreed to by both the parties.

2.1.6 Joint Research projects

2.1.6.1 Interested faculty of either party may, with mutual consent and prior intimation to the other party initiate joint research projects in the areas of mutual interest including research and development in disaster risk reduction, Survey based research, and development of disaster risk reduction technology.

2.1.6.2 The financial arrangement relating to each joint research project will be in accordance with the prior agreement relating to each specific project.

3.0 Coordination:

IU", designates Dr. Mohammad Usama, Assistant Professor, Department of Environmental Science as Nodal Officer on behalf of IU", Lucknow to coordinate the activities of the purview of MOU.

Dr. Satish Kumar (I.P.S.)] Commandant, SDRF, Uttar Pradesh on behalf SDRF, Uttar Pradesh will be coordinating all activities under the purview of MOU.

4. Publication and Intellectual Property

4.1 The information on research results and scientific material (reports/articles and books) will be exchanged freely, keeping in mind the mutually agreed upon provisions of Intellectual property rights. Intellectual property developed by the collaborative institute during the course of this agreement shall be owned by both the parties.

5. Confidentiality

5.1 Neither Party shall, without the express and written permission of the other party in advance, disclose any confidential information to any third Party, person, entity, etc. in any manner, directly or indirectly.

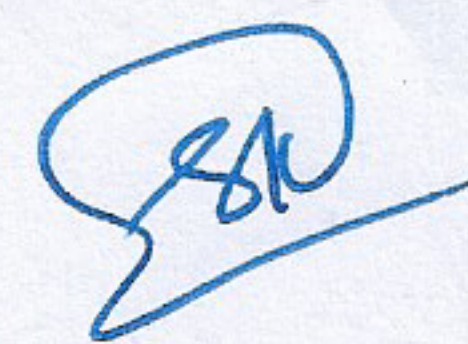

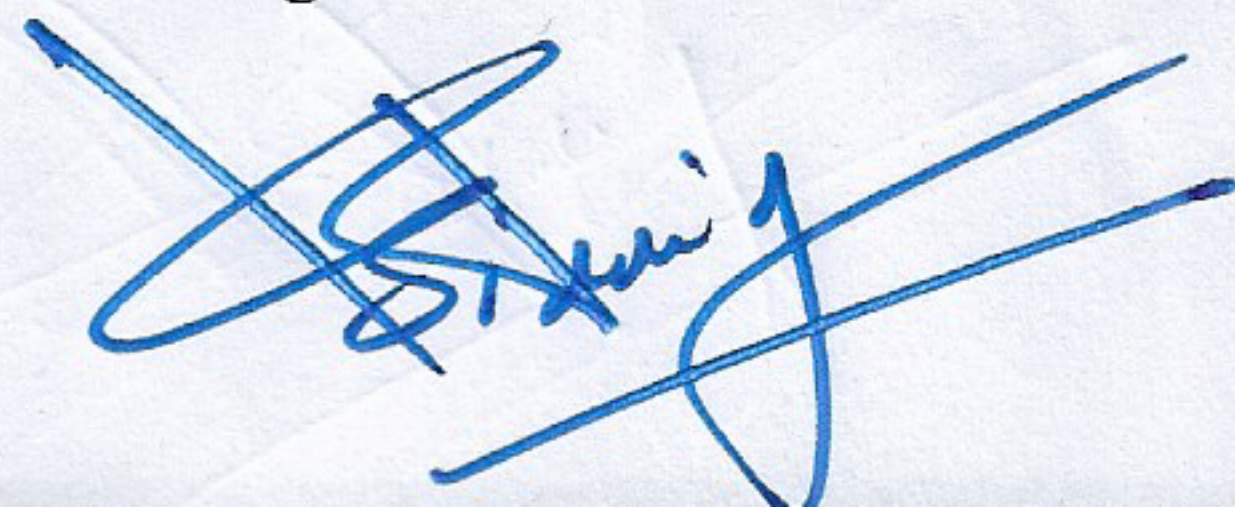

6. Terms

6.1 This AGREEMENT will be effective for 5 years from the date of signing. It may be further renewed by mutual consent in writing.

6.2. Amendments and additions may be made to the AGREEMENT with the written consent of both the parties.

7. Governing Law and Dispute Resolution

7.1 The validity, interpretation, enforceability and performance of this AGREEMENT shall be governed and construed in accordance with the Laws in India.

7.2 Venue of settlement for any disputes that may arise under this AGREEMENT shall be in Lucknow.

7.3 Disputes arising between the parties out of or in connection with this AGREEMENT shall, as far as possible, be settled amicably through mutual discussions at appropriate level.
