Brief Report
on
Online Quiz Competition
Under the aegis of
"Swachhata hi Sewa 2024" Campaign
Held on
02th October 2024**

The Government of India launched the "Swachhata hi Sewa 2024" campaign as a significant initiative to promote cleanliness and hygiene across the nation. On 15th August 2014, speaking from the ramparts of the Red Fort, the Hon'ble Prime Minister gave a clarion call for Swachhata to become a national priority and to achieve it through Jan Bhagidaari. On 2nd October 2014, the 'Whole of Government' approach launched the Swachh Bharat Mission, making sanitation a priority for everyone. Following this, the entire world witnessed the nation unite and establish what is recognized as the largest jan andolan for swachhata in history. This year's Swachhata hi Sewa 2024 campaign spanned from September 17th to October 2nd, 2024. The theme of the campaign was "Swabhav Swachhata—Sanskaar Swachhata". Building on the success of previous Swachh Bharat missions, this campaign emphasises the importance of individual and collective efforts in achieving a cleaner and healthier environment. It aims to mobilise citizens from all walks of life to participate actively in cleanliness drives. The campaign not only focusses on physical sanitation but also promotes awareness about waste management, environmental conservation, and community health. In the same vein, UGC has notified universities to encourage and take part in the campaign through various activities, such as cleanliness drives, awareness programs, and workshops. The campaign encourages local communities to take ownership of their surroundings. By fostering a spirit of collaboration and responsibility, "Swachhata hi Sewa 2024" aspires to instill a lasting commitment to cleanliness in the hearts and minds of the people, ultimately contributing to a more sustainable and prosperous India.

Mahatma Gandhi's principles, particularly his commitment to cleanliness and sanitation as integral to nation-building, deeply inspire the "Swachhata hi Sewa 2024" campaign. Therefore, to honour Mahatma Gandhi on his birth anniversary, the faculty of education organises a quiz on the "Swachhata hi Sewa 2024" campaign to spread awareness among students. 124 students from across the university registered for the quiz, with 79 of them participating. The pie chart below illustrates the quiz's graphical representation:

Department-Wise Participation

The quiz consisted of MCQ-type questions, and there were 10 questions with one mark each. They had a total of 20 minutes to complete their personal details and attempt the quiz questions. The students performed well in the quiz, with an average score range of 7 to 10 points, indicating that students at Integral University are aware of the "Swachhata hi Sewa-2024" campaign. We selected the winners based on two criteria: the highest score and the quiz completion timings. The result of the quiz is as mentioned below:
