A Brief Report on Social Pharmacy Field Visit to a Sewage Treatment Plant

College of Pharmacy, Integral University Phase III, organized a field visit to **Sewage Treatment Plant, IIPS&R, Uttar Pradesh, on 26/09/2025** from 10:00 am to 02:00 pm for the first-year students of Diploma in Pharmacy as per the requirement of syllabus of ER20-15 P Social pharmacy by PCI.

Purpose of the Visit:

The visit was planned to inculcate students with the plant structure and its workflow. Visit to plant satisfies the **Sustainable Development Goal (SDG) number 4** i.e., Quality Education, **SDG 6** i.e., clean water and sanitation, **SDG 9** i.e., Industry, Innovation and Infrastructure, **SDG 13** i.e., climate action, and **SDG 14** i.e., life below water. This Visit also complements International Pharmaceutical Federation (FIP) Goal number 02 i.e. Early Career Training Strategy and FIP Goal No. 09 i.e., continuing Professional Development Strategies.

On **26/09/2025** first year students of Diploma in Pharmacy were taken to Sewage Treatment Plant, IIPS&R, Uttar Pradesh, India as an active learning process mentioned in the D. Pharm. curriculum recommended by Pharmacy Council of India- Education Regulation 2020 (Subject Code ER20-15P). Students prepared themselves thoroughly before visiting the sewage treatment plant. A total of **25 students** from the first year and faculty members **Dr. Ebadurrahman** and **Mr. Md. Aquib Khan lab technician** visited the plant. Students were given a tour of the entire plant area, its working & management. The representatives from staff were well cooperative with the students in explained very well the process of water treatment and technologies used in the same. They also patiently and satisfactorily answered the curiosity driven questions of the students.

A Memorable Photographs:

CONCLUSION:

The visit concluded with a memorable group photograph with excellent knowledge. The guidance of **Prof. (Dr) Syed Misbahul Hasan**, Dean of the Faculty of Pharmacy, Principal, **Dr. Abdul Baseer Khan**, Associate Professor, in supporting this field visit are highly admirable. Their dedication and commitment in organizing practical learning experiences for the students play a crucial role in shaping their understanding of healthcare beyond the classroom and preparing them for their future roles as compassionate and competent healthcare professionals.

Thanking you with Regards

Dr. Abdul Baseer Khan
Principal
College of Pharmacy
Phase III
