Report on "Mass Swachhata Pledge"
*Organized by Department of Electronics and Communication Engineering
(Under Swachhata Pakhwada 2025)*

The Department of Electronics and Communication Engineering organized a "Mass Swachhata Pledge" on **19th September 2025** as part of *Swachhata Pakhwada 2025*, in collaboration with **Integral University Social Service (IUSS)**, under the aegis of the **Dean Students' Welfare**.

The event was conducted with the objective of spreading awareness about the importance of cleanliness and inspiring students and faculty to contribute actively towards maintaining a clean and healthy environment. The Swachhata Pledge was administered to all participants, reaffirming their commitment to keep their surroundings clean and motivate others to follow the same.

Several students from the department enthusiastically took part in the activity. The pledge emphasized individual responsibility, collective action, and the vision of a cleaner campus and society in line with the national mission of *Swachh Bharat Abhiyan*.

The event concluded with remarks from the faculty coordinators **Dr. Saima Beg** and **Dr. Z. H. Khan**, who highlighted that cleanliness is not just a one-time activity but a continuous practice that reflects discipline and social responsibility.

The initiative was successful in reinforcing the values of hygiene, sanitation, and civic duty among the participants. The collaborative effort with IUSS under the guidance of the Dean Students' Welfare added further impact, making the activity meaningful and well-aligned with the goals of Swachhata Pakhwada 2025.

Thanks & Regards
Syed Hasan Saeed
