Dear All,

The Faculty of Law, Integral University, Lucknow, remains committed to academic excellence and public-oriented legal education. In alignment with this vision, the Legal Aid Society of the Faculty of Law successfully organized **“Vox Publica: 1st PIL Drafting Competition, 2025”**, in collaboration with Jus Scriptum, from February 26 to April 26, 2025.

The competition aimed to empower law students across India to explore social equity through the lens of legal aid and public interest advocacy. The theme, **“Promoting Social Equity Through Legal Aid and Public Interest Advocacy in Contemporary Times,”** guided participants to address critical issues such as child labor, prison reforms, gender-neutral laws, environmental justice, and digital financial fraud through Public Interest Litigation (PIL).

The competition saw an overwhelming response from students across various prestigious universities and law schools in India. Participants submitted meticulously researched and well-drafted PIL memorials, evaluated by a distinguished panel of academicians and legal practitioners.

The event began with registration on **February 26, 2025**, followed by rigorous submission phases, concluding with the announcement of winners on **April 26, 2025**. The final
