International Tiger Day 2025

A Brief Report

The Department of Environmental Science celebrated **International Tiger Day 2025 on 29 July** with the theme **"Their Future in Our Hands."** Explored India's vital role in tiger conservation, global recovery efforts, and actionable ways to protect wild tigers through an online quiz competition..

International Tiger Day 2025 On 29 July, the world celebrates International Tiger Day to highlight the urgent need to protect tigers from threats like habitat loss and poaching. India leads global conservation efforts with key initiatives like Project Tiger and iconic reserves such as Ranthambore and Jim Corbett. Global collaborations aim to double wild tiger populations through sustained awareness and action.

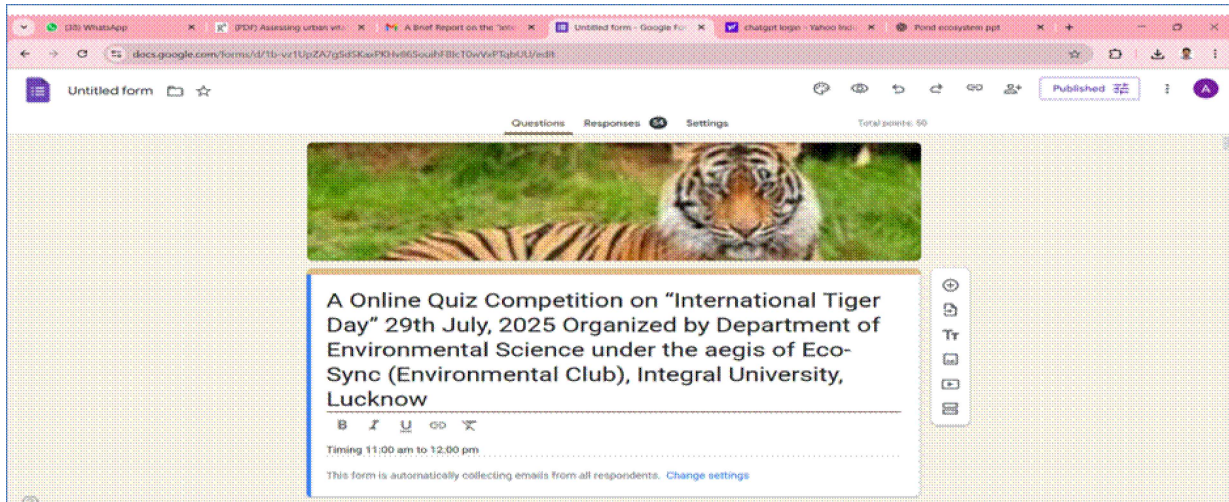

As part of the worldwide events for International Tiger Day, the Department of Environmental Science, Integral University, Lucknow hosted online quiz awareness about the extinction of tigers and the importance of its conservation. Loss of habitat, climate change, hunting and poaching are some of the factors contributing to the decline in tiger population.

Department of Environmental Science under the aegis of Eco-Sync (Environmental Club) of Integral University, Lucknow organized an online Quiz Competition on "International Tiger Day" on 29th July, 2025 at 11:00am to 12:00pm. In this quiz competition the total registered candidates are 119 & the total number of participants is 54. The following are the names of students who secured top three position in the quiz:
