Report on National Pharmacy Education Day observed by School of Pharmaceutical Sciences, Faculty of Pharmacy, Integral University, Lucknow, Uttar Pradesh, India, (226026)

Event: Online Quiz competition on National Pharmacy Education Day 2025

Organized by: School of Pharmaceutical Sciences (SPS), Faculty of Pharmacy, Integral University Lucknow

To honor the legacy of **Prof. Mahadeva Lal Schroff** who is regarded as India's founder of pharmacy education in India, SPS organized an exhilarating **Online Quiz Competition** on **6th March, 2025** on the occasion of **National Pharmacy Education Day**. This event aimed to test and celebrate students' knowledge about the history, evolution, and current affairs of the pharmacy profession. Theme of the day in 2025 was '*Entrepreneurship & Startups in Pharma and Pharmacy Practice: Encouraging Innovation, Incubation Centers and Pharmaceutical Startups*'.

The competition witnessed an overwhelming **46 enthusiastic entries** from students of SPS; Diploma in Pharmacy (first year and second year). The energy and participation levels were truly commendable. What made the competition even more thrilling was the exceptional performance of the students—many secured the highest marks, demonstrating their deep understanding and awareness of both historical milestones and contemporary developments in pharmacy. The activity aligns with **Sustainable Development Goal 4** (Quality Education), the event promoted pharmaceutical education and lifelong learning by encouraging students to engage in knowledge-based activities. The activity also **supports International Pharmaceutical Federation Development Goal 1** (Academic Capacity) where the quiz strengthened students' academic foundation in pharmacy and fostered a spirit of professional awareness.

Given the high-scoring competition, the deciding factor for the top three winners was the speed and accuracy of their responses. The students who answered the fastest with the most precision emerged victorious and were awarded certificates for their excellence. The winners were certified by Dr. Irfan Aziz (Principal, SPS).

Details of the top three winners;

Category	I year	II year
First Position	Sameer Abrar Siddiqui	Iftikhar Ansari
Second Position	Shreya Yadav	Aafiya
Third Position	Rukai Parvin	Nargis Bano

Iftikhar Ansari receiving certificate of achievement from Dr. Irfan Aziz

In conclusion Dr. Irfan Aziz congratulated all the students for their active participation and talked about the theme and significance of the day.

Dr. Irfan Aziz delivering the words of wisdom among students and faculty members

This event was not just a competition but a reflection of the students' preparedness for the dynamic field of pharmacy. Their enthusiasm reaffirmed the importance of staying updated with advancements in pharmaceutical sciences and the impact of pharmacists on healthcare systems worldwide.

The event was well organized by Ms. Widhilika Singh (Lecturer, SPS)
