

Effective from Session: 2023-24							
Course Code	HP601	Title of the Course	PhD Course Work (Political Science)	L		T	
Year	I	Semesters	I	3		1	
Pre-Requisite	Post-Graduate	Co-requisite	None	P		0	
Course Objectives	To develop a comprehensive understanding of Political Science by familiarizing the students with the fundamental concepts, theories and contemporary debates in the political realm encompassing the International and Domestic sphere. It would enable the students to develop an in depth understanding of the philosophical and practical underpinnings of the Discipline while critically engaging with the same.						

Course Outcomes	
CO1	This course facilitates a conceptual analysis of key concepts in Political Science while enabling the students to critically engage with the debates surfacing these political concepts.
CO2	It will contribute to understand Political Science through the perspective of various Political Thinkers.
CO3	It will enable the students to understand the theoretical approaches to International Politics while engaging with the Discourse of Human Rights in the global and Indian context.
CO4	It will enable the Students to develop a comprehensive understanding of the Indian Political System while comprehending the various dimensions of Indian Politics.
CO5	It will facilitate the Students in understanding the theoretical dimensions of Public Administration while exploring the practical arena of Administration through a policy analysis.
