

DEPARTMENT OF CIVIL ENGINEERING
MATERIAL TESTING LABORATORY/ CONCRETE TECHNOLOGY
LABORATORY

DO's

- Enter laboratory with appropriate laboratory uniform and shoes.
- Keep all your belongings in the bookrack or at the place suggested by lab instructor.
- Bring the laboratory manual, observation and record without fail.
- Collect the instruments and check for damage if any before carrying out the experiment.
- Be familiar with your lab assignment before you come to lab. Follow all written and verbal instructions carefully.
- Make sure that all equipment is clean and returned to its original place after performing experiments.
- Wear disposable gloves, as provided in the laboratory, when handling concrete materials.
- Remove the gloves before exiting the laboratory.

DON'Ts

- Do not place glassware near edge of laboratory bench.
- Do not leave the instruments dirty.
- Do not let water drip onto power strips.
- Do not use mobile phones during laboratory hours.
- Do not move around in the laboratory.
- Do not come with long hair, dangling jewellery and loose or baggy clothing that may cause accident in the laboratory.
